About WTW

At WTW, we provide data-driven, insight-led solutions in the areas of people, risk, insurance and capital that make your organization more resilient, motivate your workforce and maximize performance. We work shoulder to shoulder with you, bringing diverse points of view and a deep commitment to your success. By challenging one another, we achieve breakthroughs because only the best ideas survive. The result? Innovative solutions that meet your needs - informed by the global view and the local understanding of our colleagues around the world.

Together, we broaden your horizon and sharpen your focus. Transform your toughest challenges into actionable opportunities. And set your path for sustainable success.

This is perspective that moves you.

About WTW Global Aviation & Space

We are a market-leading insurance broker that represents:

36% of IATA member airline

45% of AFRAA member airlines

50% of the top 10 listed aircraft leasing companies

We have the largest client portfolio of large fleet commercial rotor-wing operators and are active with large general aviation fleets.

We are a sponsor of AviAssist because we support their mission to bring aviation safety expertise, training and knowledge sharing directly to operators in Africa.

Centred at the same venue as the Aviation Africa 2024 Conference (16-17 September 2024), aviation professionals have the opportunity to update their knowledge of aviation insurance, hear of evolving risk and how best to navigate achieving corporate goals through the resilience of a performing, valuable and cost-effective insurance program.

We look forward to sharing our experience and expertise with delegates this AviAssist seminar, building new relationships and reinforcing those that are long-standing with WTW
